GREETINGS WONDER WOMEN

September 21, 2018

I want to personally welcome each of you to the 2018 Unpacking Wonder Woman Conference. We expect that this conference will be as amazing as the 2017 conference! Spoken Word Fellowship is experiencing great change, along with tremendous inward growth and development as we continue to pursue our mission for God: Love people, connect them to Christ, and teach them how to live.

I am well pleased with my wife, Brytish! She has taken this assignment to heart, and pulled together an amazing team of individuals who have worked diligently to present everything you will experience this weekend. I pray your anticipation is as great as mine for what you will encounter! The speakers and presenters for the weekend have information that will bless you, challenge you, stretch you, and build you! I feel strongly that this year's topics will address both natural and spiritual areas of your life. You are certain to have an experience that will challenge where you are.

Dr. Faith Wokoma, welcome to Chicago and thank you for so graciously accepting the assignment to minister at Unpacking Wonder Woman 2018! I am thankful for the grace upon your life. The ministry that Father has given you changes the lives of so many. I appreciate the deliverance and breakthrough anointing on your life. You're welcome to flow!

I want to make special acknowledgement of Minister Gwendolyn Spence! This woman of God has been walking with my wife and me since the 90's when we were away in college. She has since retired, relocated to south-suburban Chicago, and partnered with Spoken Word Fellowship! Ma Gwen (as we affectionately call her) is an intercessor, great teacher of the Word, and a servant among servants! She has many spiritual children whom she has mentored for several years. This Wonder Woman works tirelessly behind scenes and maintains one of the most humble dispositions of anyone I know. Ma Gwen, you are well deserving of this honor, Wonder Woman of the Year 2018!

In closing I say, "Thank you", to each leader, volunteer, speaker, presenter, sponsor, vendor, and attendee, for supporting Lady Brytish and Spoken Word Fellowship this second Unpacking Wonder Woman Conference. Honey, (that's what I call Lady

Brytish) you have done a PHENOMENAL job, AGAIN! I am pleased with the manifestation of vision you have brought forth. WOW! Spoken Word Fellowship, you have absolutely demonstrated your heart for God, your heart for ministry, and your heart for our church. I am humbled to pastor such an AMAZING group of Christ Followers!

May each of you leave this conference better, stronger, wiser, equipped, and empowered to fulfill the assignment of the Father upon your lives. Enjoy!

Peace and Favor,

Pastor Anthony R. Thomas

MORaine VALLEY CHURCH

TO SEE JESUS TREASURED HERE, THERE, EVERYWHERE

TO THE ATTENDEES OF THE UNPACKING WONDER WOMAN CONFERENCE:

As the Senior Pastor of Moraine Valley Church, and in behalf of our staff and church, it is my special pleasure to welcome you to Moraine Valley Church. We are delighted to have the Unpacking Wonder Woman Conference in our building. We are confident you will find it a perfect setting for your meeting as many have found these facilities a great atmosphere for services, conferences and meetings.

We are excited for you to use our building because about 10 years ago when we trusted God for the resources to renovate and add onto our facility one of our stated purposes was so that our building could serve the larger Kingdom of God. Thus your conference here helps fulfil that vision for us!

My personal prayer is that God would allow everyone who is at this conference, both speakers and attendees, to have a Great Encounter with God and that He would Reveal Big things to you both from His word and also regarding your own hearts!

May the hand of God be
on you in all these days!

GREETINGS FROM THE HOST

September 21, 2018

I am again so excited to welcome you to Spoken Word Fellowship Church's SECOND "Unpacking Wonder Woman" weekend!!! I sure hope you are ready to UNPACK!!! Whether you were present last year, or this is your first UWW experience, thank you for choosing to join us. The sacrifices you made to be here will not be in vain. UWW has again challenged me to step outside of my comfort zone, but as always, our God has been faithful throughout this journey!

I encourage you, my Sisters in the Lord, to embrace what the Lord has for you this weekend and what He wants to do in you. As a woman, wife, mother, daughter, sister, friend, mentor, educator, and musician, I realize the many roles in which we operate can sometimes be taxing. Though they come with many challenges, the outcome is full of rewards and blessings. God is extremely mindful of his daughters, even to the point He has allowed you to be here throughout this weekend so you can #unpact2IMPACT!

#GreatencounterBIGreveal is about approaching the weekend with anticipation of experiencing a life-changing encounter with Jesus so He can reveal unto us that which cannot be revealed by flesh and blood. The #BIG reveal will come as a result of the encounter-one that is unusual and out of the box! Brace yourselves for it! Our Father is ready to heal, reveal, deliver, impart, refuel, and refresh! Keep your ears open and your pens and notebooks handy; Holy Spirit is about to share revelation with you about YOU! Each session was designed with you in mind; to minister to the total woman. Our session leaders are experienced, educated, and anointed for what they do. I believe they were handpicked by God and placed upon my heart, for the content they will share will minister to your need and provide information and revelation that will cause you to better impact your families, homes, ministries, careers, and society in general. I celebrate God with you for what you are about to receive in this year's encounter!!

Once again, your experience this weekend would be incomplete without the contributions from each UWW team member, Spoken Word Church Family, sponsor, speaker, worship leader, musician, volunteer, vendor, caterer, and Pastor Pat Peglow and the Moraine Valley Churchy Staff. My heart is overwhelmed with gratitude for these individuals availing themselves to serve Spoken Word Fellowship Church as we have partnered to serve you this weekend!

I am significantly excited for the ministry of Apostle Dr. Faith Wokoma, our Friday evening keynote speaker and pastor of Legacy Center Church, Cary, North Carolina! We are super excited about honoring Gwendolyn Spence, a humanitarian and spiritual mother to many as the second recipient of the Wonder Woman of the Year Award!!

I would be remiss if I failed to mention my loving and supportive husband, Pastor Anthony, who has encouraged and prayed with and for me constantly, our beautiful and gifted children Cameron, Kiersten, and Kaci (and Buddy) who even in their youth recognize the seriousness of ministry (#TeamThomas is BETTER TOGETHER!), and my mom and siblings who have supported SWFC from day one! To every prayer warrior who has prayed me through, your commitment is priceless. Thank you!

Women, we've got work to do, so get ready to #UNPACK so you can #IMPACT!

Love and Blessings,

Lady Brytish C. Thomas
